Account Cover Plus for your
Coles Group Source™
MasterCard®

Peace of mind anytime you shop

Account Cover Plus insurance takes the worry out of all kinds of purchases on your Coles Group Source MasterCard, anytime you shop. It's like having a friend who'll come to your rescue when things go wrong. Things like...

Ouch! You've just seen your TV on sale for \$200 less than you paid.

No more post-sale blues! We'll reimburse the difference.*

Oops! You dropped your new laptop and the warranty doesn't cover the repair.

Don't worry – we'll pay for the cost of repair or replacement.*

Uh oh! You've just come back from an expensive holiday to find out you've been made redundant.

Don't panic! We'll pay your credit card repayments if you don't start a new job within 30 days.*

There are many other ways our Account Cover Plus can give you peace of mind, whether it's by shopping smarter, making sure your new purchases are covered for loss or damage, or protecting you financially if you become seriously ill, injured, unemployed or die.

You'll find everything you need to know inside this booklet. If you have any questions, or would like to take out a policy, please call **1800 800 230**.

*Terms and conditions apply – see page 11 to 19.

Protect your purchases and your finances

Most credit card insurance policies will cover you if you can't work due to sickness or injury, if you lose your job unexpectedly, or if you die. It's important to protect your finances in case of the unexpected.

But Account Cover Plus gives you all this and more, by also protecting the things you buy, whenever you use your card.

Account Cover Plus includes **Shopper's Cover** and **Repayment Cover**.

Account Cover Plus – at a glance

Shopper's Cover

For peace of mind while shopping

- If you see an item that you just purchased on your Coles Group Source MasterCard on sale at a reduced price at the same store (even if it's a different location within Australia) within two years of purchase, we'll pay the difference onto your card account – because we know how annoying that is.
- If a new item that you just purchased on your Coles Group Source MasterCard is broken, lost or stolen within six months of purchase, we'll pay the cost of repair or replacement onto your card account! That's better than some warranties!
- If your Coles Group Source MasterCard card is stolen, we'll pay \$200 just for the inconvenience.

There are some limits on what you can claim and some items we don't cover, such as jewellery, food and second-hand goods. You'll find a complete list on pages 16 to 17.

Repayment Cover

For unexpected life changes

- If you can't work due to sickness or injury, we'll pay a monthly benefit of 10% of your closing balance for up to 3 years.
- If you lose your job unexpectedly, or have to give up work to care for a family member, we'll pay a monthly benefit of 10% of your closing balance for up to a year.
- If you die, we'll pay off your balance – up to \$20,000.

There are a few exclusions that apply – including voluntary redundancy, coming to the end of a fixed term employment contract or agreed seasonal period, pre-existing illnesses and the symptoms of normal pregnancy. You'll find a full list on pages 17, 18 and 19.

It's important to feel secure about meeting your credit card repayments, no matter what life throws at you. Account Cover Plus takes the worry out of using your card on the things that matter to you.

Most importantly, our insurance is simple – because you have better things to do than worry about your credit card. You'll find everything you need to know about how it works inside this booklet.

Overview

1. Why is this booklet important?

This Product Disclosure Statement (PDS) explains Account Cover Plus, an **optional insurance** that is available to Coles Group Source MasterCard account holders. It's important that you read the PDS so you understand:

- what Account Cover Plus covers and what it doesn't cover
- whether you are eligible to apply
- how to apply
- how much it costs
- how to make a claim
- the terms and conditions of your policy.

The PDS will also help you make an informed decision about this product. Keep this booklet in a safe place, as you'll need it if you want to contact us or make a claim.

2. What is Account Cover Plus and how does it work?

Account Cover Plus protects you financially by meeting your Coles Group Source MasterCard credit card obligations if you unexpectedly lose your job, become too ill to work or you die. It also provides cover against loss or damage for the things you buy, or even against certain price reductions.

Subject to the policy terms, conditions and exclusions (see sections 8 and 9), Account Cover Plus will:

- pay the amount by which a purchase on your card account is later reduced in price (**Price Protection**),
- pay the cost of repair or replacement if a purchase on your card account is later lost, stolen or damaged (**Merchandise Protection**),
- pay \$200 if your card is stolen (**Stolen Card Cover**),
- pay out the balance owing on your card account up to \$20,000 if you:
 - die (**Life Cover**),
 - die by accident (**Accidental Death Cover**),
 - are diagnosed with, or operated on for a critical illness (**Critical Illness Cover**),
 - are totally and permanently disabled (**Total and Permanent Disablement Cover**),
 - suffer the loss of a limb, eyesight, hearing or speech (**Accidental Bodily Injury Cover**)
- pay the monthly repayments on your card account if you become disabled as a result of sickness or injury (**Disability Cover**), are involuntarily unemployed (**Involuntary Unemployment Cover**), or are hospitalised as a result of sickness or injury (**Extra Care Cover**).

Your premium is calculated monthly and is based on the closing balance of your credit card account. So if your balance is zero on the day your statement is printed, you will not be charged a premium that month.

You can take out Account Cover Plus after you've received your new Coles Group Source MasterCard. Just call us on **1800 800 230**.

You'll find more details on how the policy works and the benefits it will provide on pages 11 to 15 of this PDS.

8.3 Important information about these benefits

- For Price Protection and Merchandise Protection, an item purchased using your card account for only part of the purchase price will receive a proportionate benefit. So if, for example, you pay 50% of the purchase price in cash and 50% on your Coles Group Source MasterCard, and you then make a claim, 50% of the benefit will apply.
- For Merchandise Protection, if only part of a set of items is lost, stolen or damaged, and the remaining part can be used separately, a proportionate benefit is calculated.
- Benefits are calculated on a daily basis, that is 1/30th for each day of disability, unemployment or hospitalisation for which you can claim. For example, if after a 30 day qualifying period, you are disabled for a further 15 days, we'd pay for 45 days.
- The maximum policy benefit period is 36 months for Disability and Involuntary Unemployment combined. That means, if you make multiple Disability or Involuntary Unemployment claims during the period you are insured, we will only ever pay 36 months.
- The maximum policy benefit period is 12 months for Extra Care claims. That means, if you make multiple Extra Care claims during the period you are insured, we will only ever pay for 12 months.
- The maximum policy benefit is \$20,000. That means you can make multiple claims during the period you are insured, but the most we will only ever pay is \$20,000.
- All benefits are paid to your Coles Group Source MasterCard account and not directly to you. This includes Price Protection, Merchandise Protection and Stolen Card Cover benefits, even if your account has a zero balance or is in credit when the benefit is paid.

Claims

13. How do I make a claim?

It's easy and straightforward to make a claim.

Simply call us on **1800 800 230** and we'll send you a claim form. In the case of Life Cover or Accidental Death Cover, your legal representative can call us. Claim forms can also be accessed at **www.gemoney.com.au/insurance**.

Complete and sign the claim form, and return it to us as soon as possible. You'll need to provide us with information about your claim and the circumstances surrounding it, and any copies of documentation we may need.

For example:

- If you make a Price Protection or Merchandise Protection claim, we'll need proof of purchase and maybe a police report if the item is stolen or maliciously damaged.
- If you make a Stolen Card Cover claim, you will need to provide a Police incident number and the contact details of the Police Station where the theft was reported.
- If you make a claim for disability (which also includes Critical Illness, Total and Permanent Disablement, Accidental Bodily Injury or Extra Care Cover), we may need a report from your treating doctor, and we may also ask you to undergo a medical examination, at our cost, by a doctor we nominate who will report to us.
- If you make a claim for disability (which also includes Total and Permanent Disablement Cover) or involuntary unemployment we may need you to provide a letter from your employer, or evidence from Centrelink.

Detailed information on how to make a claim can be accessed online.

What you can expect

We understand you'll want to get it all sorted out quickly, and we are committed to providing a high level of service.

We undertake to:

- make a decision on your claim within 10 business days of receiving all the necessary information,
- make claim payments to your account within 3 business days of your claim being approved, and
- return any call you make to us within 1 business day of receiving your enquiry.

Financial Services Guide (FSG)

About this Guide

There are some important things to consider before making a decision about financial services. This Financial Services Guide (FSG) will help you by explaining how:

- we and the other parties involved receive remuneration for those services, and
- complaints are dealt with.

About us

This FSG is given on behalf of:

- Hallmark General,
- GE Capital Finance Australia ABN 42 008 583 588 AR 260525 (**GECFA**) which is the credit provider for your Coles Group Source MasterCard account and an authorised representative of Hallmark General,

Hallmark General and GECFA are authorised to do the following in relation to the covers included in the Account Cover Plus policy:

- issue, vary or dispose of a financial product and arrange for each of these, and
- provide general financial product advice.

Hallmark General enters into contracts for Life Cover on behalf of Hallmark Life, under a binder. A binder authorises a person to issue an insurance policy as though they were the insurer. Hallmark General and GECFA provide general financial product advice on behalf of Hallmark General. They provide the other financial services set out above on behalf of Hallmark General and Hallmark Life as the insurers of the relevant covers and Hallmark General as licensee.

Telnet

Telnet and each of the Telnet Representatives are authorised to:

- deal in, and
- provide general financial product advice only in relation to

general insurance products and life risk insurance products (**GE Money insurance products**) that Hallmark General makes available to persons who have credit cards issued in Australia by GE companies (**GE Money customers**). They arrange for the issue of GE Money insurance products on behalf of Hallmark General and Hallmark Life, as the insurers of the relevant products, and Hallmark General as licensee. They also provide general financial product advice on behalf of Hallmark General as licensee in relation to GE Money insurance products.

Telnet provides call centre services to Hallmark General. The Telnet Representative's role is to:

- telephone GE Money customers,
- explain the significant benefits of GE Money insurance products to GE Money customers, and
- take applications for GE Money insurance products from GE Money customers who wish to buy them.

Our compensation arrangements

The Australian Prudential Regulation Authority (APRA) supervises the financial obligations Hallmark General and Hallmark Life have to their customers including arrangements for compensating retail clients for losses that they may suffer as a result of Hallmark General, Hallmark Life or their representatives breaching Chapter 7 of the Corporations Act.

On this basis, Hallmark General and Hallmark Life are exempt from the requirements for compensation arrangements under s912B of that Act.

Hallmark General is paid monthly, on an 'at cost' basis, for providing support services to Hallmark Life. For example, each month Hallmark Life pays Hallmark General a share of the office rent as it falls due.
