Account Protection for your GE Money MasterCard

Peace of mind anytime you shop

Account Protection insurance takes the worry out of all kinds of purchases on your GE Money MasterCard, anytime you shop. It's like having a friend who'll come to your rescue when things go wrong. Things like...

Ouch! You've just seen your TV on sale for \$200 less than you paid.

No more post-sale blues! We'll reimburse the difference.*

Oops! You dropped your new laptop and the warranty doesn't cover the repair.

Don't worry - we'll pay for the cost of repair or replacement.*

Uh oh! You've just made a balance transfer from your old credit card to your GE Money MasterCard only to find out you've been made redundant.

Don't panic! We'll pay your credit card repayments if you don't start a new job within 30 days.*

There are many other ways our Account Protection insurance can give you peace of mind, whether it's by shopping smarter, making sure your new purchases are covered for loss or damage, or protecting you financially if you become seriously ill, injured, unemployed or die.

You'll find everything you need to know inside this booklet. If you have any questions, or would like to take out a policy, please call **1800 800 230**.

*Terms and conditions apply - see pages 11 to 17.

Protect your purchases and your finances

Most credit card insurance policies will cover you if you can't work due to sickness or injury, if you lose your job unexpectedly, or if you die. It's important to protect your finances in case of the unexpected.

But **Account Protection** gives you all this and more, by also protecting the things you buy, whenever you use your card.

Account Protection includes **Shopper's Cover** and **Repayment Cover**.

Account Protection – at a glance

Shopper's Cover

For peace of mind while shopping

- If you see an item that you just purchased on your GE Money MasterCard, on sale at a reduced price at the same store (even if it's a different location within Australia) within six months of purchase, we'll pay the difference onto your card account – because we know how annoying that is.
- If a new item that you just purchased on your GE Money MasterCard is broken, lost or stolen within six months of purchase, we'll pay the cost of repair or replacement onto your card account. That's better than some warranties!
- If your GE Money MasterCard is stolen, we'll pay \$200 just for the inconvenience.

There are some limits on what you can claim and some items we don't cover, such as jewellery, food and second-hand goods. You'll find a complete list on pages 14, 15 and 16.

Repayment Cover

For unexpected life changes

- If you can't work due to sickness or injury, we'll pay a monthly benefit of 5% of your closing balance for up to 3 years.
- If you lose your job unexpectedly, or have to give up work to care for a family member, we'll pay a monthly benefit of 5% of your closing balance for up to a year.
- If you die or are diagnosed with a critical illness, we'll pay off your balance in full – up to \$20,000.

There are a few exclusions that apply – including resignation, coming to the end of a fixed term employment contract or agreed seasonal period, pre-existing illnesses and the symptoms of normal pregnancy. You'll find a full list on pages 16 and 17.

It's important to feel secure about meeting your credit card repayments, no matter what life throws at you. Account Protection takes the worry out of using your card on the things that matter to you.

You'll find everything you need to know about how it works inside this booklet.

Your questions answered

So what is Account Protection?

Account Protection is an optional credit card insurance that will help you meet your repayment obligations if you die, lose your job unexpectedly or become seriously ill or unfit for work. It also provides extra shopping protection for purchases made using your GE Money MasterCard, including cover for loss or damage to your purchases and reimbursing the difference if your purchase goes on sale at a reduced price.

How can it help me?

If you die or are suddenly unable to work, your GE Money MasterCard bill still needs to be paid. So Account Protection takes care of that for you – and that means one less thing for you or your family to worry about. It also takes the stress out of shopping by giving you added peace of mind about your purchases.

Product Disclosure Statement (PDS) and Policy

Overview

1. Why is this booklet important?

This PDS explains Account Protection, an **optional insurance** that is available to GE Money MasterCard account holders. It's important that you read the PDS so you understand:

- what Account Protection covers and what it doesn't cover
- whether you are eligible to apply
- how to apply
- how much it costs
- how to make a claim
- the terms and conditions of your policy.

The PDS will also help you to make an informed decision about this product.

Keep this booklet in a safe place, as you'll need it if you want to contact us or make a claim.

2. What is Account Protection and how does it work?

Account Protection protects you financially by meeting your GE Money MasterCard credit obligations if you unexpectedly lose your job, become too ill to work or you die. It also provides cover against loss or damage for the things you buy, or even against certain price reductions.

Subject to the policy terms, conditions and exclusions, Account Protection will:

- pay the amount by which a purchase on your card account is later reduced in price (**Price Protection**),
- pay the cost of repair or replacement if a purchase on your card account is later lost, stolen or damaged (**Merchandise Protection**),
- pay \$200 if your card is stolen (**Stolen Card Cover**),
- pay out the balance owing on your card account up to \$20,000 if you die (**Life Cover**), or are diagnosed with, or operated on for, a critical illness (**Critical Illness**).
- pay a monthly benefit of 5% of the closing balance for up to 3 years if you become disabled as a result of sickness or injury (**Disability Cover**).
- pay a monthly benefit of 5% of the closing balance for up to a year if you are involuntarily unemployed (**Involuntary Unemployment Cover**).

Your premium is calculated monthly and is based on the closing balance of your credit card account. So if your balance is zero on the day your statement is printed, you will not be charged a premium that month.

You can take out Account Protection after you've received your new GE Money MasterCard. Just call us on **1800 800 230**.

You'll find more details on how the policy works and the benefits it will provide on pages 11, 12 and 13 of this PDS.

Cover	How it works	Limits to cover and some examples
Involuntary Unemployment Cover 	<p>If:</p> <ul style="list-style-type: none"> • you had been working for at least 16 hours per week for at least 6 consecutive months when you become involuntarily unemployed, and • you are continuously unemployed for at least 30 days, <p>we'll pay 5% of the closing balance on your card at the statement date immediately before the date you were notified of your impending unemployment, up to \$600 per month and not less than \$30 per month.</p> <p>We'll calculate your monthly benefit on a daily basis, for each day you are unemployed.</p> <p>Some circumstances are not covered – see page 17.</p> <p>Involuntary Unemployment is explained on pages 21 to 22.</p>	<p>For any one period of involuntary unemployment, we'll pay the lesser of:</p> <ul style="list-style-type: none"> • the closing balance for the statement period immediately prior to the date of your involuntary unemployment, or • 12 monthly benefits. <p>For example, if you are unemployed for 10 months and your monthly benefit is calculated at \$200, we'd pay \$2,000.</p> <p>For example, if you are unemployed for 15 months and your monthly benefit is calculated at \$100, we'd pay \$1,200, because a maximum of 12 monthly benefits apply.</p> <p>For example, if you are unemployed for 10 days, we'd pay nothing because you are not unemployed for 30 days.</p>

8.3 Important information about these benefits

- For Price Protection and Merchandise Protection, an item purchased using your card account for only part of the purchase price will receive a proportionate benefit. So if you pay 50% of the purchase price in cash and 50% on your GE Money MasterCard, and you then make a claim, 50% of the benefit will apply.
- For Merchandise Protection, if only part of a set of items is lost, stolen or damaged, and the remaining part can be used separately, a proportionate benefit is calculated.
- Benefits are calculated on a daily basis, that is 1/30th for each day of disability or unemployment. For example, if after a 30 day qualifying period you are disabled for a further 15 days, we'd pay for 45 days.
- The maximum policy benefit period is 36 months for Disability and Involuntary Unemployment combined. That means, if you make multiple Disability or Involuntary Unemployment claims during the period you are insured, we will only ever pay 36 months of benefits.
- The maximum policy benefit is \$20,000. That means you can make multiple claims during the period you are insured, but the most we will pay is \$20,000 in total.
- All benefits are paid to your GE Money MasterCard account and not directly to you. This includes Price Protection, Merchandise Protection and Stolen Card benefits, even if your account has a zero balance or is in credit when the benefit is paid.
- The combined Price and Merchandise Protection claim benefits paid for an item cannot exceed the original purchase price paid for that item.

- If you make a claim under the Stolen Card Cover, you will need to provide a Police incident number and the contact details of the Police Station where the theft was reported.
- If you make a claim for disability, we may need a report from your treating doctor, and we may also ask you to undergo a medical examination, at our cost, by a doctor we nominate who will report to us.
- If you make a claim for disability or involuntary unemployment we may need you to provide a letter from your employer, or evidence from Centrelink.

About this Guide

There are some important things to consider before making a decision about financial services. This Financial Services Guide (FSG) will help you by explaining how:

- we and the other parties involved receive remuneration for those services, and
- complaints are dealt with.

About us

This FSG is given on behalf of:

- Hallmark General, and
- GE Capital Finance Australia (**GECFA**) ABN 42 008 583 588 trading as GE Money. Australian Credit Licence number 392145. AR 260525, which is the credit provider for your GE Money MasterCard and an authorised representative of Hallmark General.

Hallmark General, Hallmark Life and GECFA are all members of the GE group of companies and all trade as GE Money.

Our contact details are set out on page 7.

Hallmark General and GECFA are authorised to do the following in relation to the covers included in the Account Protection policy:

- issue, vary or dispose of a financial product and arrange for each of these; and
- provide general financial product advice.

Hallmark General enters into contracts for Life Cover on behalf of Hallmark Life, under a binder. A binder authorises a person to issue an insurance policy as though they were the insurer. Hallmark General and GECFA provide general financial product advice on behalf of Hallmark General. They provide the other financial services set out above on behalf of Hallmark General and Hallmark Life as the insurers of the relevant covers and Hallmark General as licensee.

Our compensation arrangements

The Australian Prudential Regulation Authority (APRA) supervises the financial obligations Hallmark General and Hallmark Life have to their customers including arrangements for compensating retail clients for losses that they may suffer as a result of Hallmark General, Hallmark Life or their representatives breaching Chapter 7 of the Corporations Act.

On this basis, Hallmark General and Hallmark Life are exempt from the requirements for compensation arrangements under s912B of that Act.

Remuneration and other benefits

Hallmark General

Hallmark General is paid monthly, on an 'at cost' basis, for providing support services to Hallmark Life. For example, each month Hallmark Life pays Hallmark General a share of the office rent as it falls due.

GECFA

Hallmark General pays GECFA a commission of 20% of the premium, before Government charges.

Employees

Employees of GE companies are paid a salary. Some employees are also eligible for a commission payment on the sale of an insurance policy. Some GE employees are eligible for performance bonuses and rewards that are based on the amount of insurance sold.

If you have a complaint

Details of our dispute resolution procedures are set out on page 20.

Hallmark General has authorised the distribution of this FSG.
